

Together
Everyone
Achieves
More

Phil - Arben
Kyriakos - Kostandin
Angel - Andrea

Planning

- Initial Design Documents
- Group and client meetings, to get initial ideas
- Initial marketing, project plan, presentation

Prototype

- Designing initial ideas for prototype
- Improving upon the initial prototype
- Presentation of final prototype

Production

- Begin coding, programing and design the ideas
- Making it accessible on mobile and web
- Testing and modifying the app until it is perfect

Team Work

- Asserting roles for everyone in the group
- Weekly meetings, constant communication
- Everyone is given equal amounts of works/tasks

The Perfect Application

- Presenting the final and perfect mobile expenses application for Saggezza
- Easy to use, works functionally and meets all the expectation of an expenses application
